ADMISSIONS

ADMISSION REQUIREMENTS - HIGH SCHOOL EDUCATION AND EQUIVALENTS

To qualify for admission to Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio or Paul Mitchell The School Dallas - Arlington, a prospective student must demonstrate that they are academically prepared to be successful. A prospective student must be able to provide verifiable documentation to support that they have a high school diploma, recognized equivalency and/or those who are beyond the age of compulsory school attendance in the State where the institution is located prior to being accepted. To meet that requirement, prospective students must:

- i. have a high school diploma (this can be from a foreign school if it is equivalent to a U.S. high school diploma); or
- ii. Have a recognized equivalent of a high school diploma, such as a general educational development (GED) certificate or other state sanctioned test or diploma-equivalency certificate like HiSet; or
- iii. Have completed homeschooling at the secondary level as defined by state law; or
- iv. Have completed secondary school education in a homeschool setting which qualifies for an exemption from compulsory attendance requirements under state law, if state law does not require a homeschooled student to receive a credential for their education; or
- v. Have successfully completed at least a two-year college-level program that is acceptable for credit towards a bachelor's degree or completion of an associate degree.

The school does not accept ability to benefit (ATB) students.

VERIFICATION AND VALIDATION PROCEDURES

If the school or the Department of Education has any reason to believe that the diploma is not valid or was not obtained from an entity that provides secondary school education, the school will proceed with the two-step validity process. The validity process requires:

- i. The school would check with the high school to confirm the validity of the student's diploma by collecting documentation from the high school that confirms the validity of the high school diploma, including transcripts or other written descriptions of course requirements, or written and signed statements by principals or executive officers at the high school attesting to the rigor and quality of the coursework at the high school;
- ii. If the high school is regulated or overseen by a state agency, Tribal agency, or Bureau of Indian Education, confirm with the relevant department or agency in the state in which the secondary school is located or obtain documentation from that agency that the secondary school is recognized or meets requirements established by that agency;
- iii. If the Secretary has published a list of high schools that issued invalid high school diplomas, the school will confirm that the high school does not appear on that list.

A high school diploma is not valid if it:

- i. Does not meet the applicable requirements established by the appropriate state agency, Tribal Agency, or Bureau of Indian Education in the state where the high school is located;
- ii. Has been determined to be invalid by the Department of Education, the appropriate state agency in the state where the high school was located, or through a court proceeding; or
- iii. Was obtained from an entity that requires little or no secondary instruction or coursework to obtain a high school diploma, including through a test that does not meet the requirements for a recognized equivalent of a high school diploma.

If the School is unable to determine validity of the high school diploma, the prospective student will not be accepted to the school.

ADMISSION PROCEDURE

1. **Complete an Application for Admission:** Complete and submit the application for admission. The application for admission may be obtained from an admissions advisor.
2. **Pay the Registration Fee:** There is a registration fee of \$100 for enrollment into the school. 3. **Interview:** All applicants must complete an interview with an admission's advisor.
4. **Provide Proof of Identity:** Applicants are required to provide proof of identification as part of the application of admission process. The school will maintain a copy of the identification presented as part of the student's admission file.

 - The Veteran Health Identification Card (VHIC)
 - Veteran Identification Card (VIC)

 - iii. Be an original document
 - iv. Be Current and valid: expired documents are not acceptable

 - a. If name has changed, supporting documentation including but not limited to marriage certificate, court approval documentation or related documents are required.
5. **High School or Equivalent Verification Documents:** Applicants must demonstrate that they meet the High School requirements. The school considers a high school diploma, high school transcripts, GED certificate, GED transcript or high school equivalency certificate valid if granted by a high school or agency/program accredited or recognized by a state department of education (e.g. The State of Texas Department of Education).

A student's self-certification is not sufficient to validate a high school diploma or high school equivalency

certificate or that they have completed secondary school through homeschooling as defined by state law.

If we determine that your diploma or high school equivalency diploma is not valid you will be denied admission to the school.

Students who are homeschooled must be able to demonstrate and document that they meet their states high school graduation requirements. Secondary school education at a homeschool is valid if their secondary school education was in a homeschool that state law treats as a home or private school (see <https://hslida.org/legal> for requirements for each state). Applicants who completed homeschooling must submit their high school transcripts for review and evaluation.

Applicants who received their high school diploma in another country are required to submit their high school transcripts to a foreign credentialing evaluation service.

Please note the document must be translated into English by a certified translator and accompanied by an evaluation of a credentialed evaluation service certifying it is equivalent to a U.S. high school diploma. We can accept credentials translated and evaluated by any agency under NACES. A list of approved agencies is located at NACES (National Association of Credential Evaluation Services) under: <https://www.naces.org/members>. We must receive a credential report directly from the evaluation services. Copies will not be accepted. Applicants are responsible for paying the costs of the translation and evaluation.

Applicants who have successfully completed at least a two-year college-level program that did not result in the awarding of an associate degree must submit college transcripts demonstrating successful completion of at least 60 semester or trimester credits hours or 72 quarter credit hours that is acceptable for full credit towards a bachelor's degree at an institution.

Applicants who have successfully completed an associate degree or bachelor's degree may show completion of the degree by providing the degree or transcripts.

Note that merely possessing a certificate of attendance and/or high school completion is not sufficient for a student to be Title IV aid eligible.

6. **Workshops:** Must be currently licensed, or working on completion of an esthetician or cosmetology license. Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio or Paul Mitchell The School Dallas - Arlington does not recruit students who are already enrolled in a similar program at another institution.

Admitted students who would like to request a reasonable accommodation under the Americans with Disabilities Act should contact the ADA Compliance Coordinator.

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio or Paul Mitchell The School Dallas - Arlington accepts re-entry students if they qualify. Please review the re-entry policy for specific requirements.

Once an applicant has completed the process to apply to the school, the admissions team and director reviews each applicant and their required application materials to determine if the applicant will be admitted.

The applicant will be notified of the decision in writing.

If the applicant is admitted, they will be notified of the next steps to enroll in their academic program.

If an applicant is not admitted and wishes to appeal the decision, they must write a letter/email to the Admissions Leader. Once the Director has evaluated the reasons for denial, the Director may either redo the personal interview for a second opinion or provide a response to the student. Appeals will not be considered if an applicant is not admitted because they do not meet the minimum education requirements to be admitted or if they have provided false information during the admission process.

RE-ENTRY STUDENT POLICY

Students who are withdrawn from the school (officially or unofficially) and wish to re-enter, must follow these steps:

1. Outstanding tuition, fee(s) must be paid in advance or the student must make satisfactory arrangements with Financial Services. The student must have their financial plan in place prior to starting classes.
2. Previous tuition payments will be credited to the student's balance if applicable.
3. Because tuition fees and costs are subject to change, students who reenter after 180 days will be contracted according to the current tuition costs at the location they are enrolling in and will be required to pay any additional fees, if applicable.
4. Pay a \$200.00 in fees and sign a new contract to complete remaining hours.
5. Depending on the circumstances surrounding a student's withdrawal, he/she may be required to attend an orientation prior to re-starting the program.
6. Interview with an Education Leader and a Future Professional Advisor.

The school does not deny re-entry to any service member of the uniformed services for reasons relating to that service.

Re-entry is reserved to the sole discretion of Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington and may require special conditions.

Re-entry requires a personal interview with an Education Leader and a Future Professional Advisor and final approval by the Director. Re-entering students will be placed on 30-day probation, during which time they must meet the school's Institutional Attendance Policy regarding minimum attendance. Students will also be evaluated for satisfactory Institutional Attendance progress at the next scheduled evaluation period to determine their new status. Students who fail to meet the minimum attendance and academic requirements for the 30-day probationary period may be terminated. Students who re-enter the program are placed in the same Satisfactory Academic Progress standing as when they left. Re-entering students who have previously used all the excused absences provided under their original contract will not receive any additional excused absences under the new re-entry enrollment agreement.

All students who wish to re-enter after 180 days from the last day of attendance may be contracted and re-entered as a transfer student as outlined in the catalog.

STATE LICENSING DISCLAIMER

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that the Texas Department of Licensing and Regulation (“TDLR”) considers grounds to deny licensure. TDLR denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. It is the student’s responsibility to contact TDLR and determine whether your criminal background will hinder your ability to become licensed in the state. Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington is not responsible for students denied licensure. Paul Mitchell The School Dallas,

Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington’s programs only lead to licensure within the State of Texas.

DISCLOSURE FOR PROGRAMS LEADING TO LICENSURE

The following programs offered at Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington lead to licensure in the state of Texas: Cosmetology, Class A Barber, Cosmetology Operator to Class A Barber and Esthetics. We have compiled a list of all states that require licensure for the program you are interested in enrolling. We have identified whether the institution’s program curriculum meets, does not meet, or a determination has not been made yet, for other state’s individual state educational requirements for professional licensure. This information can be located on the school’s paulmitchell.edu website, as well as you will receive a copy in the school’s admissions packet, prior to touring the school.

Please note that the school you are planning on attending has only had their curriculum evaluated by the state that you are attending school in, which meets the state’s requirements for licensure and practice. In determining whether your program of study is acceptable in another state, each state board reviews the number of clock hours you attended in your home state, the subject areas and practical experiences you completed, as a part of the process of determining what, if any, additional requirements you may have to meet in order to be licensed in their state. We encourage all graduates who are considering becoming licensed in another state to first take the licensure exam in their home state, which will make it easier to transfer into another state. If you are not licensed by your home state, the

state you are considering getting licensed in may require you to take additional training to meet their state minimum hour requirements and/or take their state licensure exam. State boards do not evaluate the curriculum of schools located in other states, but do, in most cases, recognize training from other states in order to transfer their license. If, at any time, the program you are enrolled in, ceases to meet the educational requirements for licensure in the state where the student is located, the school will provide written notice directly to the student in writing within 14 calendar days of making that determination.

FUTURE PROFESSIONAL INFORMATION

CONSTITUTION DAY

Constitution Day was established by Congress in an effort to increase knowledge about the United States Constitution. The amendment, proposed by Senator Robert C. Byrd, was passed in December 2004, and requires all educational institutions to commemorate Constitution Day by offering education and programs each year on September 17 (or in the preceding or following week if the date falls on a Saturday, Sunday, or holiday).

Constitution Day commemorates September 17, 1787, the signing of the United States Constitution. The Constitution established America's national government and fundamental laws and guaranteed certain basic rights for its citizens.

Constitution Day also serves as a reminder to participate in the political process by exercising our right to vote.

The school celebrates Constitution Day with an event and promotes awareness of the U.S. Constitution and voter registration information to all present.

This year's Constitution Day will be celebrated September 17, 2024.

To view an interactive version of the U.S. Constitution, go to the National Constitution Center at <https://constitutioncenter.org/>.

EDUCATION GOALS

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington strives to provide a quality educational system that prepares students to pass the state board examination and gain employment within their chosen field of study. Our quality education system includes an outstanding facility, experienced and competent instructors, and a curriculum developed through years of experience and expertise. Our education goals are:

1. To educate students to be professional, knowledgeable, and skilled in their field.
2. To promote the continuing educational growth of our faculty and students, using current teaching methods and techniques.
3. To teach courtesy and professionalism as the foundation for a successful career in their chosen field of study.
4. To prepare students to successfully pass the Texas state licensing exam for entry-level employment.

INDUSTRY REQUIREMENTS

Students interested in pursuing a career in cosmetology should:

1. Develop finger dexterity and a sense of form and artistry.
2. Enjoy dealing with the public.
3. Keep aware of the latest fashions and beauty techniques.
4. Make a strong commitment to your education.
5. Be aware that the work can be arduous and physically demanding because of long hours standing and using your hands at shoulder level.

INSTITUTIONAL ATTENDANCE POLICY

As mentioned in our Mission Statement Paul Mitchell The School is committed to providing a solid educational foundation to empower our team and we strongly believe that when people come first, success will follow. Part of this success hinges on the ability to commit fully to an employer and can handle the rigors that this industry demands. Attendance is a part of the excellence and success that the Cosmetology Market looks for.

Paul Mitchell The School has a minimum attendance of 80%. This means future professionals can miss no more than 20% of their program's scheduled hours before being withdrawn from the program for failing to meet the contractual obligation to the school. Future Professionals are expected to utilize the 20% of their program's scheduled hours for normal challenges that come up in their lives; time off with family, sick time, unexpected personal challenges, etc.

Attendance is very important, especially at the very beginning of our programs, because this is where you are learning all the rules, there really is no way to "make up" hours that is as effective as being present during this extremely important time frame. Missing time here can have a severely detrimental impact on future skill development (see Core Guidelines contained in catalog).

Future Professionals are required to maintain a minimum Institutional Attendance of 80% for the program. Attendance will be posted into our computer system daily and recorded on each future professional's permanent record. Future Professionals are required to be on time and remain in school for the entire scheduled day. The Future Professional Advisor or a member of the Education Leadership team must approve ALL early dismissals.

Institutional Attendance Progress is checked as follows:

PROGRAM	SCHEDULED HOURS: CHECK POINT	SCHEDULED HOURS: CHECK POINT	SCHEDULED HOURS: CHECK POINT	SCHEDULED HOURS: CHECK POINT	SCHEDULED HOURS: CHECK POINT	SCHEDULED HOURS: CHECK POINT
Cosmetology	200	400	600	800	1000	
Cosmetology Operator	200	400	600	800	1000	1150
Cosmetology Operator continued	1300	1500				
Esthetics	150	600				
Manicure 600	150	300	375	450	600	
Class A Barber	200	400	600	800	1000	
Cosmetology Operator to Class A Barber 300	60	150	210			

To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.

A Future Professional who is NOT maintaining at least a 80% attendance rate will be placed on Institutional Warning status until the next Institutional Check Point. A schedule will be created for the Future Professional to attend makeup hours to improve their attendance. Any Future Professional who does not significantly improve their attendance rate by the following Scheduled Institutional Check Point will be given the right to appeal and may be withdrawn from the program.

INSTITUTIONAL ATTENDANCE PROGRESS APPEAL POLICY

If a student has failed to make satisfactory Institutional Attendance progress on two consecutive check points the student may be withdrawn with a right to appeal. To appeal the negative determination the student must submit a written appeal to the Future Professional Advisor within five (5) business days of the determination. The student must include any supporting documentation that will support the reversal of the decision to withdraw the student. If the student fails to appeal, the decision to withdraw the student will stand.

FINANCIAL INFORMATION

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. Please refer to the following Return of Title IV Funds policy for specific consumer information pursuant to the Federal Financial Aid program.

1. Students who receive loans are responsible for repaying the loan amount, plus any interest, less the amount of any credit balances, and if those students have received federal student financial aid funds, they are entitled to a credit of the monies not paid to the federal student financial aid program fund.
2. For students who have received Title IV financial assistance, the Federal Return of Title IV Funds calculation will be completed first and applicable funds returned. Returned funds will be reduced from the payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a credit or if a balance is owed to the school.
3. If a student has received less aid than the student earned, he/she may be eligible for a post-withdrawal disbursement. If a student is eligible for this disbursement, the school will notify the student in writing of the amount he/she is eligible. The student will have to accept or decline the disbursement within 14 days. If an acceptance is not received within this time frame, the school will not make the post-withdrawal disbursement to the student.
4. The Federal Return of Title IV Funds formula dictates the amount of federal Title IV aid that must be returned to the federal government or the lending institution by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws on or before the 60 percent point in time in the payment period.

WITHDRAWAL BEFORE 60%

The school must perform a R2T4 to determine the amount of earned aid up through the 60% point in each payment period and use the Department of Education's prorated schedule to determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

WITHDRAWAL AFTER 60%

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, the school will still calculate the Institutional Refund and R2T4 for financial aid recipients.

5. The federal formula requires a return of Title IV aid if the student received federal financial assistance in the form of Stafford loans, Pell Grants, or Plus loans and withdraws on or before completing 60% of the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. The percentage that has not been earned is calculated by determining the complement of the percentage earned (e.g., if 40% was earned, 60% was unearned).
6. The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of the Title IV aid that was or could have been disbursed as of the withdrawal date. The percentage of the payment period scheduled to complete is calculated by dividing the total number of clock hours scheduled to complete by the payment period as of the last date of attendance.
7. If a student withdraws (officially or unofficially) and has received federal loans, the loans will go into repayment.

Note: A student who withdraws prior to completing the 60% of the charging period may be required to repay some of the funds released to the student because of a balance on the student's account.

ORDER OF RETURN

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and/or Paul Mitchell The School Dallas - Arlington is authorized to return any excess funds after applying them to current outstanding Cost of Attendance (COA) charges. A copy of the Institutional R2T4 worksheet performed on your behalf is available through the Financial Aid office upon student request.

Federal regulations and Institutional policy require that the following aid programs be subject to the repayment calculation:

1. Federal Direct Loans: Unsubsidized
2. Federal Direct Loans: Subsidized
3. Federal PLUS Loans (received on behalf of the student)
4. Federal Direct Parent PLUS Loans (received on behalf of the student)
5. Federal Pell Grant
6. Iraq Afghanistan Service Grant for which a return is required

STUDENT NOTIFICATION OF REPAYMENT

A notification letter outlining the amount and type of funds returned to the appropriate federal program(s) will be sent to the student upon withdrawal. The student may request a copy of the federal government's repayment worksheet (R2T4 form) and a copy will be kept in the student file for future reference.

The school will return funds on the student's behalf to the appropriate federal and institutional aid program(s) and subsequently notify the student of any outstanding balances owed to the school. A statement reflecting these charges will be sent to the student. The student is responsible for all charges and overpayments resulting from a Return of Title IV calculation.

SCHOOL AND STUDENT RESPONSIBILITIES REGARDING THE R2T4 POLICY & PROCESS

1. Providing each student with the information given in this policy;
2. Identifying students affected by this policy and completing the Return of Title IV Funds (R2T4) calculation;

Arlington). For all other school charges, Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and/or Paul Mitchell The School Dallas - Arlington needs your permission to use a post-withdrawal disbursement of direct loans. If you do not give permission, you will not be offered the direct loan funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

The post-withdrawal disbursement must be applied to outstanding institutional charges before being paid directly to the student.

Time frame for returning an unclaimed Title IV, HEA credit balance

If the school attempts to disburse the credit balance by check and the check is not cashed, the school must return the funds no later than 240 days after the date the school issued the check.

If a check is returned to the school or an EFT is rejected, the school may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the funds were returned or rejected. When a check is returned or EFT is rejected and the school does not make another attempt to disburse the funds, the funds must be returned before the end of the initial 45-day period.

The school must cease all attempts to disburse the funds and return them no later than 240 days after the date it issued the first check. For further information, please contact the Financial Aid Office.

1. If applicable, the school will provide the student with a refund letter explaining Title IV requirements.
2. The amount of Title IV aid the student has earned based upon the length of time the student was enrolled and scheduled to attend in the program and the amount of aid the student received.
3. Advise the student in writing of the amount of unearned Title IV aid and tuition and fees that he/she must return, if applicable.
4. Supply the student with a final student ledger card showing outstanding balance due the school and the available methods of payment.
5. A copy of the completed worksheet, check, letter, and final ledger card will be kept in the student's file.

Students are required to purchase books, supplies and equipment at the beginning of the program. According to Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and/or Paul Mitchell The School Dallas - Arlington's refund policy, once these materials are purchased, no refund will be made. However, students will not be charged for the kit if they withdraw within the first 3 days of the first scheduled class date and return their kit unopened and in new condition.

(Please refer to the Return of Title IV Funds Policy for treatment of these items per Federal regulations)

PARENT PLUS LOAN APPROVAL RELEASE

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and/or Paul Mitchell The School Dallas - Arlington does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent’s credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent can pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent’s credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

Each year some financial aid recipients are randomly selected for verification by the U.S. Department of Education. The Department of Education has policies and procedures that the school follows for verification of Title IV funding. If a student is selected for Federal FAFSA Verification, they will be asked to complete a Verification Worksheet (provided by the Financial Aid Office) and must submit any additional documentation, required by the Department of Education, before financial aid can be disbursed to the student’s account. This documentation may include, but is not limited to, signed federal income tax returns or tax transcript(s) from the Internal Revenue Service, W-2 forms (student’s, spouse and/or parents/guardians), proof of untaxed income, housing allowances, etc. The student will be notified of all documents required so they can collect the necessary information to fulfill this federal requirement. The financial aid office will give the student a deadline to return the forms and required documentation to the financial office with verification items attached. If after review by the Financial Aid Office, there are any changes to the financial aid package the student will be notified in writing.

If verification documents are not submitted by the due date, the student may be placed on a monthly cash pay status until verification is completed.

Financial Aid Management for Education, Inc. (FAME) handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

RETURN OF TITLE IV, HEA POLICY

When you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned to the Department of Education. Paul Mitchell The School will calculate the amount of financial aid funds to be returned to the Title IV, HEA Federal fund programs according to the policies listed below.

This policy applies to students who withdraw officially, withdraw unofficially or are terminated from Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and/or Paul Mitchell The School Dallas - Arlington. It is separate and distinct from Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and/or Paul Mitchell The School Dallas - Arlington's Institutional Refund Policy.

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by Department of Education regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student was scheduled to be in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew (date of determination), to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a direct loan post-withdrawal disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs. Pell post-withdrawal disbursements do not require student or parent authorization and are made as needed to cover tuition cost.

The school will send notification of a loan post-withdrawal disbursements as soon as possible, but no later than 30 days after the date that the student withdrew.

SATISFACTORY ACADEMIC PROGRESS POLICY

SATISFACTORY ACADEMIC PROGRESS POLICY

To remain eligible for Federal Financial Aid a student must make Satisfactory Progress in both Academic and Attendance. The Department of Education considers a student to be meeting Satisfactory Academic Progress (SAP) by meeting both qualitative and quantitative criteria.

Evaluations are maintained in the student file. The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

The institution requires its students to maintain Satisfactory Academic Progress (SAP) as established by the Department of Education, to continue to matriculate at the school and to continue to be eligible to participate in the federal government's Title IV, HEA financial aid programs. These standards apply to all students, regardless of the source of the student's funding, and to all students, regardless if their status (full-time, 3-day program or part-time).

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward Satisfactory Academic Progress of the program include maintaining:

1. A minimum cumulative theory grade level of 70% or higher.
2. A minimum cumulative academic level of 70% or higher on practical worksheet completion for.*
3. To determine whether a student meets the academic requirements theory and practical grades are averaged together to give a minimum cumulative academic grade.

*To meet the Paul Mitchell The School's practical requirements for graduation, students must eventually complete 100% of monthly practical worksheets. See LEARNING PARTICIPATION GUIDELINES.

MAXIMUM TIME FRAME

The state of Texas requires 1000 clock hours for the cosmetology course and the Class A Barber course, 750 hours for the esthetics course, 600 hours for the manicure course. Students are expected to complete their course in no more than 143% of the program length. Students must complete the educational program within the maximum time frame, which is based on attending at least 70% of the scheduled hours. The school is required to measure and collect data on all our student who complete our programs "on time". We define "normal time" and "on time" as having completed the program with at least 70% attendance or higher. At this time, "normal time" is also our minimum attendance requirement.

It is important to note that the MAXIMUM SCHEDULED HOURS shown is the MAXIMUM number of scheduled hours that a Future Professional can take to finish the program NO MATTER WHICH schedule they are enrolled in. Scheduled hours are NOT impacted by Suspensions or School Closings (such as additional snow days beyond what we build into the schedule already). If a Future Professional is impacted by any of these occurrences, their ACTUAL graduation calendar date will be pushed forward by the amount of time the occurrence takes place since they are “off the schedule” during those times.

When the MAXIMUM SCHEDULED HOURS are up, a Future Professional’s contract is over. If a Future Professional has not completed their ACTUAL HOURS required for graduation, they will be WITHDRAWN and required to re-enroll in the program with a new contract and costs to complete their remaining hours.

NONCREDIT, REMEDIAL COURSE, AND REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school’s satisfactory academic progress standards.

LEAVE OF ABSENCE POLICY, INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

A Leave of Absence (LOA) is a temporary interruption in a Future Professional’s program of study. LOA refers to the specific time during an ongoing program, when a Future Professional is not in academic attendance.

A Leave of Absence (LOA) may be granted in documented cases of emergency, documented medical reasons, or documented extenuating personal circumstances. Leaves of Absence will be granted in the case of maternity/paternity, a letter from their doctor would be required. If a Future professional is called into Active Duty for the Military, the school will grant a leave of absence, back up documentation would be required. A Leave of Absence will be granted for Death of an immediate family member. Immediate family is limited to the spouse, parents, stepparents, foster parents, father-in-law, mother-in-law, children, stepchildren, foster children, sons-in-law, daughters-in-law, grandparents, grandchildren, brothers, sisters, brothers-in-law, sisters-in-law, aunts, uncles, nieces, and/or nephews.

Future Professionals may not arbitrarily decide to “take” a leave of absence.

Future Professionals must request an LOA in writing, either via email or paper format, stating the reason for the leave, provide applicable back up documentation and receive approval from the Future Professional Success Coach and Financial Aid prior to taking the Leave. The Future Professional will be notified, in writing, by the Future Professional Success Coach using the Leave of Absence Acknowledgment form of the decision. The Leave of absence, if approved, will be effective the day the Future Professional Success Coach approved the request. Any absences that occur during the time it takes to approve the request, must be made up and will not be excused, unless they fall under our Excused Absence policy in the catalog.

The following criteria must be met in order to take a leave of absence:

1. The Future Professional submitted a written request, with the reason for the leave of absence and applicable back up documentation. (Unless unforeseen circumstances prevent the Future Professional from doing so.)
2. The leave of absence was reviewed/approved by the school's Future Professional Success Coach and Financial Aid Department. (Please see the Coaching and Corrective Action Policy and the Corrective Action Steps policy located in the catalog for additional information.)
3. The leave of absence must be a minimum of 14 calendar days and must not exceed a total of 180 calendar days in a 12-month period.

In special circumstances, the school may grant a leave of absence to a Future Professional, such as (but not limited to) a car accident or other medical emergency that would prevent the Future Professional from requesting a leave of absence in advance. In these cases, the school will document the reason for granting a leave of absence from the documented date of the incident, after the incident has occurred.

If enrollment is temporarily interrupted for an LOA, the student will return to school in the same progress status as prior to the LOA. The hours elapsed during an LOA will not be included in the student's cumulative attendance percentage calculation. Students may be granted one LOA in a twelve-month period. However, in the case of unforeseen circumstances and at the school's discretion, the student may be granted a subsequent LOA. The total time for the LOA must be a minimum of 14 calendar days and may not exceed 180 calendar days in a twelve-month period. An approved LOA will extend the student's contract period by the same number of days taken in the leave and will result in no additional charges to the student.

For Title IV aid recipients, the Future Professional's payment period is suspended during the LOA and no Title IV aid will be disbursed for a Future Professional while on leave. Upon the Future Professional's return, the Future professional will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed.

During an approved Leave of Absence (LOA), should the Future Professional find themselves unable to return on the original approved return date, the Future Professional is responsible for reaching out to their Future Professional Success Coach prior to their scheduled return date. If the Future Professional needs to request additional time, they must follow the LOA process and request an additional LOA, in advance. The subsequent request must be approved.

A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days. If a Future Professional does not return to their program of study at the end of the scheduled LOA, the Future Professional will be withdrawn from the program. Title IV loan recipients who do not return from LOA and are withdrawn from their program of study, will enter their loan grace period as of their last date of attendance. Future professionals who withdraw prior to completing the course of study and who wish to re-enter within 180 days will re-enter at the same progress status as applicable at the time of withdrawal.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when students reach:

These criteria require a student to maintain a cumulative minimum of 70% or higher in academics and 70% or higher in actual hours attended. These SAP requirements will be evaluated at the Federal SAP Check Points listed below:

PROGRAM	ACTUAL HOURS CHECK POINT	ACTUAL HOURS CHECK POINT
Cosmetology	450	900
Esthetics	375	
Manicure 600	300	
Class A Barber	450	900
Cosmetology Operator to Class A Barber 300	150	

A Future Professional who at a Federal SAP Check Point has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 70% will be placed on Federal Warning status until the next Federal SAP Check Point. Any Future Professional who does not improve their attendance and/or academic rate by the following Federal SAP Check Point will be dropped from the program with an automatic right to appeal (see Appeal Procedure).

The following grading system is used to evaluate a student's academic ability:

1. Practical grade reports are issued monthly to each student, to make them aware of their progress toward meeting satisfactory progress.
2. Examinations are given in all subjects.
3. Grades and attendance/SAP records are reviewed and signed by the student and maintained in the student's file. Students may request to review their financial aid files from the Financial Aid Leader or their academic files from the Future Professional Advisor.

Grading Policy:

A = 90 – 100% B = 80 – 89% C = 70 – 79% Failing = Below 70%

Grades for practical and clinical work are indicated by a signature on the student's worksheet or client ticket. A signature from an instructor represents a grade of 70% or higher. No signature indicates a score of less than 70% and the student has not met minimum satisfactory standards on the practical application. Students are required to continue the practical application until they receive a signature from an instructor.

TRANSFER HOURS

Transfer hours from another institution that are accepted towards the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the School.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

PROBATION

If the school grants the appeal, it may impose conditions for the student's continued eligibility to receive Title IV, HEA, such as changing schedules, or creating an independent development plan. If such an appeal is granted, the student will remain on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, and does not prevail on appeal the student will be determined as not making satisfactory progress, however, the student will be able to complete their program on a cash pay basis.

REINSTATEMENT OF FINANCIAL AID (FOR THOSE WHO QUALIFY)

If applicable, Title IV, HEA financial aid will be reinstated to qualified Students who have prevailed upon appeal or who have reestablished satisfactory progress by meeting the minimum cumulative attendance and academic requirements.

ACADEMIC YEAR DEFINITION

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington's academic year is 900 hours and 26 weeks for Title IV, HEA purposes. For Title IV, HEA payments, the student must meet both clock hours and weeks of instruction as well as complying with all standards for Satisfactory Academic Progress before they can receive further Title IV, HEA payments.

FINANCIAL AID WARNING

Students failing to meet minimum Federal Satisfactory Academic Progress requirements will be notified in writing and placed on Financial Aid Warning for the next evaluation period. They will be counseled regarding actions required to attain satisfactory status by the next evaluation point. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds.

If, at the end of the Financial Aid Warning period, the student still has not met both the attendance and academic progress requirements, he/she will be placed on Academic Notice with loss of Title IV aid and will not be eligible for Title IV, HEA assistance. However, the student may appeal the loss of their Title IV, HEA eligibility.

A student may appeal the Title IV, HEA decision if he/she has a reason for the inability to make satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory progress determination have changed. The basis for filing an appeal, such as the death of a relative, injury or illness of the student, or other special circumstances, must be documented.

This policy applies to all students regardless of their eligibility for Title IV, HEA funding programs. To comply with Department of Education requirements, the terminology Financial Aid Warning and Financial Aid Probation will be used for Title IV, HEA and non-Title IV, HEA students.

SATISFACTORY ACADEMIC PROGRESS APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's future professional advisor on the designated school's Satisfactory Academic Progress (SAP) Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reason why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated.

This policy applies to all students regardless of whether they are eligible for Title IV funding programs. To comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.

If a future professional's appeal is denied, the future professional will lose their eligibility for Title IV programs, if applicable, but they will be able to complete the program on a cash pay basis, regardless of their Satisfactory Academic Progress. The school must maintain the documentation for the future professional's appeal in the future professional's financial file. The school must also maintain documentation as to why the appeal was denied.

VETERANS STANDARD OF ACADEMIC PROGRESS POLICY

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 80% each month.

A VA student, whose CGPA falls below 80% at the end of any month, will be placed on academic probation for a maximum of two consecutive months. If the VA student's CGPA is still below 80% at the end of the second consecutive term of probation, the student's VA educational benefits will be terminated.

A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a CGPA of 80%.

STUDENT CONSUMER INFORMATION

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request.

GENERAL RELEASE OF INFORMATION

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

1. State the purpose of the disclosure,
2. Specify the records that may be disclosed,
3. Identify the party or class of parties to whom the disclosure may be made, and
4. Be signed and dated.

FERPA DISCLOSURES TO PARENTS

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student, without needing the student's consent.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

RELEASE OF INFORMATION TO REGULATORY AGENCIES

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the Council on Occupational Education (COE), or in response to a directive of said Commission.

DISCLOSURES IN RESPONSE TO SUBPOENAS OR COURT ORDERS

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

DISCLOSURES FOR OTHER REASONS

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

DIRECTORY INFORMATION

Paul Mitchell The School Dallas, Paul Mitchell The School Dallas - San Antonio and Paul Mitchell The School Dallas - Arlington does not publish "directory information" on any student.

RECORD MAINTENANCE

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely.

AMENDMENT TO STUDENT RECORDS

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202.

VETERAN OR ELIGIBLE PERSON

The school maintains a written record of the previous education and training of the veteran or eligible person and clearly indicates that appropriate credit has been given for previous education and training, with the training period shortened proportionately, and the veteran or eligible person and the Department of Veterans Affairs so notified.

SCHOOL STANDARDS & POLICIES

DISABILITY ACCOMMODATION & GRIEVANCE POLICY

STATEMENT OF NON-DISCRIMINATION AND ACCOMMODATION

Paul Mitchell The School does not discriminate on the basis of disability. Individuals with disabilities are entitled to a reasonable accommodation to ensure that they have full and equal access to the School's educational resources, consistent with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) ("Section 504") and the Americans with Disabilities Act (42 U.S.C. § 12182) ("ADA"), their related statutes and regulations, and corresponding state and local laws.

Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the ADA Compliance Coordinator, or his/her trained designee who has been designated to coordinate the efforts of the school to comply with Section 504 and ADA.

TRAINING AND MEDIATION RESPONSIBILITIES OF THE ADA COMPLIANCE COORDINATOR

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once a year. In these training sessions the Coordinator will explain the basic requirements of Section 504 and the ADA as they apply to The School. The Coordinator will address: the School's responsibility to provide accommodations to students with disabilities; how to implement accommodations that the Coordinator has approved for students; how to support students with disabilities in the School's programs; and that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about the School's process for providing accommodations or about the School's grievance procedures. To help ensure that future campus staff members and students are aware of the School's policy, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by the School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student's disability. If this informal process does not resolve the student's concerns, the student may file a grievance as described below.

REQUESTS FOR ACCOMMODATION

Individuals with disabilities wishing to request an accommodation must contact the ADA Compliance Coordinator at their campus. A disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA Compliance Coordinator will not be treated as a request for an accommodation. However, if a student

discloses a disability to such an individual, he or she is required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a Request for Accommodations Form, which is also available on the School's website under the Helpful Links tab. To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed.

Individuals requesting reasonable accommodation may be asked to provide medical documentation substantiating his/her physical and/or mental impairment(s) and/or the need for the requested accommodation(s), including but not limited to when the limitation or impairment is not readily apparent and/or a requested accommodation does not clearly relate to the impairment(s). Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation, and must be completed by a qualified professional in the area of the student's disability, as enumerated below:

Disability	Qualified Professional
Physical disability	MD, DO
Visual impairment	MD, ophthalmologist, optometrist
Mobility, orthopedic impairment	MD, DO
Hearing impairment	MD, Audiologist (Au.D) *audiology exam should not be more than a year old
Speech and language impairment	Licensed speech professional
Learning disability	PhD Psychologist, college learning disability specialist, other appropriate professional
Acquired brain impairment	MD neurologist, neuropsychologist
Psychological disability	Psychiatrist, PhD Psychologist, LMFT or LCSW
ADD/ADHD	Psychiatrist; PhD Psychologist, LMFT or LCSW
Other disabilities	MD who practices or specializes within the field of the disability.

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations. Documentation may be the student's existing medical records, or reports created by the student's medical provider, the state department of rehabilitation, the U.S. Department of Veteran's Affairs, or an appropriate professional who conducts an assessment of the student (see chart above). Supporting medical documentation is not necessary for an obvious disability (for example a student in a wheel chair or a missing limb). The School may request additional documentation or testing as needed.

The documentation of disability is kept at all times in a locked, private file at the School, separate from the student's educational record. The ADA Compliance Coordinator will determine what information needs to be shared with School staff and Learning Leaders, on an "as needed basis," in order to facilitate academic accommodations or other services. After the ADA Compliance Coordinator receives the Request Form and the required documentation, he/she (or his/her trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be appropriate.

INTERACTIVE PROCESS

Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student's documentation and discuss accommodations with the student before

the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator.

The student and the ADA Compliance Coordinator will discuss how the student’s impairment impacts the student, how the student expects the impairment to impact the student in the School’s program, and the accommodations being requested by the student from the School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills-based instruction and skills practice.

The documentation (or observation) must show the nature of the student’s disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student’s limitations are, and how they can be reasonably accommodated.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and School staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student’s accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from the School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

ADDITIONAL FACTORS

The School does not provide accommodations that would result in a fundamental alteration of the School’s program or would cause an undue financial burden. However, the Coordinator will continue the interactive process with the student to determine if an alternative accommodation is available.

If the student or applicant is denied any requested accommodation, he/she may file a grievance using the Grievance Process below or he/she may file a complaint with the U.S. Department of Education’s Office for Civil Rights or a similar state entity. The School will make appropriate arrangements to ensure that a person with a disability is provided other accommodations, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

GRIEVANCE POLICY RELATING TO COMPLAINTS OF DISABILITY DISCRIMINATION

The School has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes she/he has been subjected to discrimination on the basis of disability, including disagreements regarding requested accommodations, may file a grievance with:

ADA GRIEVANCE COORDINATORS

Dallas Campus	Arlington Campus	San Antonio Campus
Whitney Standridge 2389 Midway Road Carrollton, TX 75006 (972) 669-0494 whitney@pmtsDallas.com	Vonne Ashmore 309 Curtis Mathes Way Arlington, TX 76018 (817) 865-6963 vonne@pmtsarlington.com	Cynthia Flores 18402 US Highway 281 N San Antonio, TX 78259 (210) 523-8333 cynthia@pmtssanantonio.com

Grievances must be in writing, contain the name and address of the person filing it, state the problem or action alleged to be discriminatory (including dates and individuals involved), and the remedy or relief sought. The student should explain why he/she believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

The School will investigate each complaint filed, and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. The student will be provided with a written decision stating the determination and any remedial action (if applicable). Based on the results of the investigation, the School will take all appropriate actions to prevent any recurrence of discrimination and/or to correct any discriminatory effects.

If the student disagrees with the decision made by the ADA Grievance Coordinator, or disagrees with the remedial action specified, the student may appeal the decision to the School Executive Team. The appeal must be in writing and sent to Chandra Couch; Assistant Executive Director of Financial Aid and Compliance; 18402 US Highway 281 N, Suite 124, San Antonio, TX 78259; (210) 523-8333; Chandra@pmtssanantonio.com. The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than 30 days after the student receives the written decision from the ADA Grievance Coordinator. The Executive Director and Director of Compliance will issue a written decision to the student within 14 days after receiving the student's appeal. The Executive Director and Director of Compliance will determine whether the decision should be revised or remain the same. If the Executive Director and Director of Compliance determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity. It creates a hostile or offensive environment, which means the alleged conduct is sufficiently serious to limit or deny a student or student's ability to participate or benefit from the student's education program.

Sexual harassment is conduct based on sex, whether directed toward a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing," practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies,

preferences, or history, and physical contact, such as patting, pinching, or intentionally brushing against another person's body. Gender-based harassment, including acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

COMPLAINT/GRIEVANCE PROCEDURE

The following grievance procedures shall be used to address sex discrimination complaints filed by students/ employees or complaints filed on their behalf against employees, other students, or third parties.

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by e-mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time, including during non-business hours, by using the telephone number or e-mail address, or by mail to the office address, listed below for the Title IX Coordinator. Only a complainant may file a formal complaint that initiates a Title IX grievance procedure.

If you believe that you have experienced or witnessed harassment or sexual violence, you need to notify the Title IX coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor, customer or service guest, or other person who does business with the school is exempt from the prohibitions in this policy. The school Director or Education Leader, if they are informed of a Title IX complaint will refer all harassment complaints to the Title IX coordinator.

In order to facilitate the investigation, your complaint should include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A sex discrimination complaint should be filed within seven (7) days from the date of the alleged discriminatory incident in order for the school to take timely and appropriate action. All documentation pertaining to the complaint/grievance process will be confidential. The complaint/grievance once received will be maintained in the Title IX Coordinator's office, which has limited staff access.

All complaints involving a student, employee, contract worker, vendor, customer or service guest, or other person who does business with the school will be referred to the campus's Title IX Coordinator to begin the complaint process outline in this policy. The Title IX Coordinator is listed below and has the responsibility of intake reports and complaints, initiating the formal complaint process, and providing supportive measures to both the complainant and respondent.

If the school has actual knowledge of sexual harassment in an educational program or activity at the school, against a person in the United States, they will respond promptly in a manner that is not deliberately indifferent. A school is considered deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

The grievant/complainant may use the Title IX Grievance Form, but it is not required, to file a Title IX discrimination complaint.

The school ensures that its Title IX Coordinator(s), Investigator(s), Decision-Maker(s), and Informal Resolution Facilitator(s) have adequate training on what constitutes sexual harassment, including sexual violence, dating violence, domestic violence, sex discrimination, and stalking, and that they understand how the school's grievance procedures operate. Please refer to the end of this policy for a listing of the various roles of individuals involved in the Title IX process, their responsibilities, and training requirements.

REPORTERS

We encourage all individuals who have a Title IX complaint to meet with the Title IX Coordinator to begin the formal grievance process. If the school Director or Education Leader, who are not Title IX Coordinators, are informed of a Title IX complaint they must notify the Title IX Coordinator of the complaint immediately, as long as they have the Complainant's consent that they can report the incident to the Title IX Coordinator. These are the only school employees that a complainant may discuss Title IX allegations with that are required under the school's policy to be obligated to inform the Title IX Coordinator of information that they received, as long as the Complainant grants that authority. Once any of these reports are notified of complaint allegations the notice triggers the start of the complaint process by the Title IX Coordinator.

FORMAL COMPLAINT

A "formal complaint" is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the school. A formal complaint may be filed with the school's Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information located in the school's policy. The phrase "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.

The Title IX Coordinator will meet with the complainant to explain the process of filing a formal complaint. The complainant must be the alleged victim unless the parent or legal guardian has a legal right to act on their behalf. Anyone may report a Title IX violation; however, only a complainant may file a formal complaint that initiates a Title IX grievance procedure. The Title IX Coordinator will defer to the complainant's wishes as to whether or not they want to file a formal complaint.

If the Title IX Coordinator is the one who signs and initiates a formal complaint, the Title IX Coordinator is not a complainant or a party during a grievance process and must comply with requirements for Title IX personnel to be free from conflicts of interest and bias.

The school's Title IX Policy provides for a consistent, transparent grievance process for resolving formal complaints of sexual harassment. The school's policy is required to treat complainants equitably by providing remedies any time a respondent is found responsible and treat respondents equitably by not imposing disciplinary sanctions without following the grievance process prescribed in the school's policy. Any remedies, which are required to be provided to

a complainant when a respondent is found responsible, will be designed to maintain the complainant's equal access to education and may include the same individualized services described as supportive measures; however, any remedies imposed do not need to be non-disciplinary or non-punitive and need not avoid burdening the respondent. Once a formal complaint has been filed, the school will provide a written notice to each of the parties involved, which will include a copy of the school's written Grievance Process, a list of the allegations, including specific information regarding the allegations, and a notice that the parties have a right to an advisor. The advisor should not be a lawyer. If during the investigation additional allegations are investigated, then a new notice must be provided to the parties, which identifies the new issues.

GRIEVANCE PROCEDURE

The school's grievance procedures are designed to ensure that the Title IX complaint process is free from conflicts of interest and to treat everyone equally during the process, which requires Title IX personnel (Title IX Coordinators, Investigators, Decision-Makers, and people who facilitate any informal resolution process) to be free from conflicts of interest or bias for or against complainants or respondents. In order to accomplish this, we have put into place the following requirements.

1. All Title IX personnel must include training on the definition of sexual harassment, the scope of the school's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
2. The school provides all decision-makers with training on any technology to be used at a live hearing. In addition, the school's decision-makers and investigators receive training on issues of relevance, including how to apply the rape shield protections provided (only for complainants), prior to participating in any Title IX investigation.
3. The federal regulations governing Title IX allegations requires that there is a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The school may remove a respondent from the recipient's educational program or activity on an emergency basis, provided that the school undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal. In the case of a school employee, the school may place the individual on mandatory administrative leave.
4. All of the materials the school uses to train Title IX personnel are located on the school's website under the Required Disclosures section on the home page.
5. Once the hearing takes place, the Decision-Maker may take the following actions against the respondent: dismiss the complaint; place the individual on probation; suspend the individual; terminate the individual; require the individual to go to counseling; change the respondent's schedule; or require the individual to retake the Title IX training.
6. The school may provide the following remedies to a complainant: an escort; removal from shared classes; academic support services, such as tutoring; and medical or counseling services.
7. The school has chosen to use the preponderance of the evidence standard, for all formal complaints of sexual harassment (including where employees and faculty are respondents).
8. Upon completion of the Title IX process, either party may file an appeal of the decision. The school's appeal process is outlined below.
9. Throughout the grievance process the school will not use, rely on, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
10. All provisions, rules, or practices that are a part of the school's grievance process for handling formal complaints of sexual harassment apply equally to both parties.

To initiate a criminal investigation, reports of sexual violence should be made to “911” or local law enforcement. The criminal process is separate from the school’s disciplinary process. To the extent that an employee or contract worker is not satisfied with the school’s handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

The school will make appropriate referrals to law enforcement. The school will also notify complainants of the right to proceed with a criminal investigation and a Title IX complaint simultaneously. The school will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation.

INVESTIGATION OF ALLEGATIONS

In response to all complaints, the school will ensure prompt and equitable resolution through a reliable and impartial investigation of the allegations, including the opportunity for both parties to present witnesses or other evidence. The school will follow its written grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. During this process the school will not restrict an individual’s rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment, when complying with Title IX.

The federal regulations require a school to investigate sexual harassment allegations in any formal complaint, which can be filed by a complainant, or signed by a Title IX Coordinator. The regulations affirm that a complainant’s wishes with respect to whether the school investigates should be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances.

If the allegations in a formal complaint do not meet the definition of sexual harassment, or did not occur in the school’s education program or activity against a person in the United States, the school must dismiss such allegations for purposes of Title IX but may still address the allegations in any manner the school deems appropriate under the school’s own code of conduct, which is published in the school’s catalog. The school may also dismiss a complaint if: the complainant withdraws the complaint; if the respondent is no longer enrolled or employed at the school; or if circumstances prevent institution from being able to investigate the complaint allegations. In this case, each party needs to be notified that the complaint has been dismissed and the reasons why it has been dismissed.

The time necessary to conduct an investigation will vary based on complexity of the allegation but will generally be completed within sixty (60) days of receipt of the complaint, which includes appeals and informal resolutions, with an allowance for short-term and good cause delays or extensions of the time frame. If a complainant requests confidentiality, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited.

The preponderance of the evidence standard will apply to investigations, meaning the school will evaluate whether it is more likely than not that the alleged conduct occurred.

During the investigation, the school will provide interim measures, as necessary, to protect the safety and well-being of students and/or employees involved and are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party and to protect the safety of all parties, the school’s educational environment, or deter sexual harassment.

The Title IX Coordinator will promptly contact the complainant confidentially to discuss the availability of supportive measures; consider the complainant’s wishes with respect to supportive measures; inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and explain to the complainant the process for filing a formal complaint. The school will offer supportive measures, at no cost, to the person alleged to be the victim (referred to as the “complainant”), which may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact

between the parties, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures to help protect the alleged victim and deter sexual harassment. The respondent is also eligible for the same supportive measures that the complainant has available.

The school will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the school to provide the supportive measures. The school's Title IX Coordinator is responsible for coordinating the effective implementation of all supportive measures that will be provided before sanctions in any grievance procedure are imposed.

The school will investigate the allegations in any formal complaint and send written notice to both parties (complainants and respondents) of the allegations upon receipt of a formal complaint. The Title IX Coordinator has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose another employee or hire a third-party to conduct the investigation.

During the grievance process, and when investigating the complaint allegations, the school will abide by the following procedures:

1. The school will apply a presumption that the respondent is not responsible during the grievance process (presumption of innocence). The burden of gathering evidence and burden of proof is the responsibility of the school, not on the individual parties.
2. The school will provide equal opportunity for the parties involved to present fact and expert witnesses and other inculpatory and exculpatory evidence. Witnesses cannot be anonymous.
3. The school will not restrict the ability of the parties to discuss the allegations or gather evidence (e.g., no "gag orders") to support their case.
4. Both parties to the complaint will have the same opportunity to select an advisor of the party's choice who may be, but need not be, an attorney.
5. The school as a part of the investigative process will send written notice of any investigative interviews, meetings, or hearings to both parties. Any interviews that occur can have both parties' advisors present.
6. The schools will send the parties, and their advisors, evidence directly related to the allegations, in electronic format or hard copy, with at least 10 days for the parties to inspect, review, and respond to the evidence provided.
7. The school will send the parties, and their advisors, an investigative report that fairly summarizes relevant evidence, in electronic format or hard copy, with at least 10 days for the parties to respond to the report.
8. The school will dismiss allegations of conduct that do not meet the definition of sexual harassment or did not occur in a school's educational program or activity against a person in the U.S. Such dismissal is only for Title IX purposes and does not preclude the school from addressing the conduct in any manner the school deems appropriate.
9. The school may, in their discretion, dismiss a formal complaint or allegations therein if the complainant informs the Title IX Coordinator in writing that the complainant desires to withdraw the formal complaint or allegations therein, if the respondent is no longer enrolled or employed by the school, or if specific circumstances prevent the school from gathering sufficient evidence to reach a determination.
10. The school will give the parties written notice of a dismissal (mandatory or discretionary) and the reasons for the dismissal.
11. The school may, in their discretion, consolidate formal complaints where the allegations arise out of the same facts or circumstances, whether it is complaints against multiple respondents or by multiple complainants.
12. The school will protect the privacy of a party's medical, psychological, and similar treatment records by stating that the school cannot access or use such records unless the school obtains the party's voluntary, written consent to do so.

LIVE HEARINGS

The school's Title IX grievance process provides for a live hearing. If the complaint goes to a live hearing, then each party must have an advisor. The appointed Decision-Maker is the individual who will be conducting the hearing. The following conditions will apply for a live hearing:

1. The Decision-Maker(s) must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those that challenge credibility.
2. Cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by either the complainant or respondent personally.
3. At the request of either party, the school will provide for the entire live hearing (including cross-examination) to occur with the parties located in separate rooms with technology enabling the parties to see and hear each other.
4. Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain to the party's advisor asking cross-examination questions any decision to exclude a question as not relevant.
5. The live hearing provides for the opportunity for all parties' advisors to examine and cross-examine witnesses, including challenging the credibility of witnesses. Hearsay statements and irrelevant information are not permitted.
6. The school's process provides for rape shield protections for complainants deeming irrelevant questions and evidence about a complainant's prior sexual behavior unless offered to prove that someone other than the respondent committed the alleged misconduct or offered to prove consent.
7. If either party does not have an advisor present at the live hearing, the school will provide, at no cost to that party, an advisor of the school's choice who may be, but is not required to be, an attorney to conduct cross-examination on behalf of that party. Only the advisor may cross-examine the witnesses.
8. If a party or witness does not submit to cross-examination at the live hearing, the Decision-Maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the Decision-Maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.
9. Live hearings may be conducted with all parties physically present in the same geographic location or, at the school's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually.
10. As a part of the process, the school will create an audio or audiovisual recording, or transcript, of any live hearing, as a part of the record.

FINAL DETERMINATION OF THE INVESTIGATION

The school's grievance process uses the preponderance of the evidence standard to determine responsibility. The school's grievance process uses the same standard of evidence for all formal complaints of sexual harassment whether the respondent is a student or an employee (including faculty member). The Decision-Maker(s) in the process are required to objectively evaluate all relevant evidence, inculpatory and exculpatory, and avoid credibility determinations based on a person's status as a complainant, respondent, or witness.

The Decision-Maker in all instances cannot be the Title IX Coordinator or the investigator in order to ensure that the investigative process is fair and free of bias. The Decision-Maker will issue a written determination regarding responsibility with findings of fact to include the following:

1. Must identify the standard of evidence used based on the school's written policy.
2. Identify the allegations that constitute sexual harassment.
3. Describe the procedures the school used from the filing of the formal complaint through the hearing process.

4. Make findings of fact and conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation.
5. Include the imposition of any sanctions or disciplinary actions imposed on the respondent, and whether any remedies will be provided to the complainant.
6. State the procedures to file an appeal and the allowable bases for an individual to appeal the decision.
7. Upon conclusion the written determination will be sent simultaneously to the parties.
8. The Title IX Coordinator is responsible for implementation of any remedies imposed by the Decision-Maker.

APPEAL PROCESS

The school will allow either or both parties the opportunity to appeal the Decision-Maker's determination regarding responsibility from a school's dismissal of a formal complaint or any allegations therein. Either party can appeal based on the following:

1. Procedural irregularity that affected the outcome of the matter;
2. Newly discovered evidence that could affect the outcome of the matter; and/or
3. The Title IX personnel had a conflict of interest or bias, that affected the outcome of the decision.

INFORMAL RESOLUTION

The school provides the opportunity for the parties involved in the formal complaint allegations to facilitate an informal resolution, such as mediation, so long as both parties give voluntary, informed, written consent to attempt an informal resolution. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. The school will provide written notice to the parties of the allegations, requirements of the resolution process, and any limitations.

If the complaint allegations are in regard to an employee of the school sexually harassing a student, the opportunity for an informal resolution is not available.

A school may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment. Similarly, a school may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed.

RETALIATION PROHIBITED

The school prohibits any form of retaliation, intimidation, threats, coercion, discrimination, or harassment against any individual who filed or otherwise participated in the filing or investigation of a complaint of discrimination. Actions do not have to be on the basis of sex or involve sexual harassment to constitute retaliation. Retaliation complaints may use the same grievance process as sexual harassment complaints. Any individual who believes he or she has been subjected to retaliation may file a separate complaint under this procedure. The school will keep confidential the identity of complainants, respondents, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out a Title IX proceeding, which does not constitute retaliation.

The following circumstances do not constitute retaliation, including:

1. Exercising one's rights protected under the First Amendment.
2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX grievance proceeding does not constitute retaliation; however, a determination regarding responsibility, alone, is not sufficient to conclude that any party made a bad faith materially false statement.
3. Charging an individual with code of conduct violations that do not involve sexual harassment but arise out of the same facts or circumstances as a report or formal complaint of sexual harassment; however, for the purpose of interfering with any right or privilege secured by Title IX does constitute retaliation.

REPORTING REQUIREMENTS

Victims of sexual misconduct should be aware that school administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. The school will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. The school reserves the right to notify parents/guardians of dependent students regarding any health or safety risk or a change in student status. The school will also notify the local police department of any crimes that have been brought to their attention. Any allegations or violations of Title IX will be reported to the school's Clery Act coordinator to be included in the school's annual reporting requirements.

RECORD KEEPING

All records of the Title IX formal complaint including, the investigation, evidence, decision making process, hearings, and decision letters will be maintained by the school for at least 7 years.

REQUIRED TRAINING

The school's Title IX Coordinator, Investigator, Decision-Maker, or any person designated by the school to facilitate an informal resolution process, must not have a conflict of interest or bias for or against complainants or respondents generally, or an individual complainant or respondent. Each individual that is part of the Title IX process is required to take training that includes how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Part of the required training is to ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the school's education program or activity, how to serve impartially, how to make relevancy determinations, how to conduct an investigation and grievance process including hearings, appeals and informal resolution.

The school will provide the Decision-Maker(s) with training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. The school will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. Any materials used to train Title IX Coordinators, Investigators, Decision-Makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

ADDITIONAL INFORMATION

Employees and students may contact the Title IX coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights ("OCR") investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at: <http://www2.ed.gov/about/offices/list/ocr/index.html>.

COPYRIGHT INFRINGEMENT POLICY

This policy applies to those who use the school's network or equipment to share files, including, the school's faculty, staff, students, guests, external individuals, and organizations accessing network services via the school's networking or computer facilities.

Copyright is legal protection of intellectual property, in whatever medium, that is provided for by the laws of the United States to the owners of copyright. Types of works that are covered by copyright law include, but are not limited, to literary, dramatic, musical, artistic, pictorial, graphic, film, and multi-media works. This protection extends to software, digital works, and unpublished works and it covers all forms of a work, including its digital transmission and subsequent use.

This is in accord with the Digital Millennium Copyright Act (DMCA), which provides educational institutions with some protections if individual members of the community violate the law. For the school to maintain this protection, it must expeditiously take down or otherwise block access to infringing material whenever it is brought to the attention of the organization. If the school receives an allegation of copyright infringement based on your use of the school's networking or computers, the matter will be referred to the school director for further investigation.

The following are some examples of copyright infringement that may be found in a school setting:

- Downloading, using, or sharing files of music, videos, and games without proper documented permission of the copyright owner.
- Using corporate logos without permission.
- Placing an electronic copy of a standardized test on a department's website without permission of the copyright owner.

- Torrenting or other peer to peer communication on the network.
- Streaming personal music from non-commercial platforms such as Spotify, Pandora, YouTube Music or Apple Music.
- Streaming personal TV/Movies from streaming platforms such as Netflix, Hulu, YouTube TV, Disney Plus or similar platform is a violation of Copyright Law, as the agreement made is not between the Streaming Service and the School, but the Streaming Service and the individual.
- Sharing, taking a picture of, digitally posting, downloading, or distributing the proprietary curriculum, educational systems, and supporting digital or printed assets and tools (apps and printed materials such as books or guides) created and owned by Paul Mitchell Advanced Education.

The Digital Millennium Copyright Act requires that all infringement claims must be made in writing and sent to copyright@paulmitchell.edu. For the school to act on your notice, you must be authorized to enforce the copyrights that you allege have been infringed. When informing the School of an alleged copyright infringement, you must include the following information:

- A physical or electronic signature of the copyright owner or the person authorized to act on its behalf.
- A description of the copyrighted work claimed to have been infringed.
- A description of the infringing material and information reasonably sufficient to permit us to locate the material.
- Your contact information, including your address, telephone number, and email.
- A statement by you that you have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and

- A statement that the information in the notification is accurate, and, under the pains and penalties of perjury, that you are authorized to act on behalf of the copyright owner.

Please note, the School may not be able to act on your complaint promptly or at all if you do not provide this information.

Upon notification or due to detection, the School will take all necessary actions, including, but not limited to, temporary disconnection from internet access, to stop illegal sharing of copyrighted material on its network or computing devices by identified users.

Corrective actions can range from a written reprimand to termination from the School in the case of a student, or termination from employment in the case of an employee, depending on the nature and severity of the charges.

The consequences of copyright infringement also extend outside of the school. Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file sharing context, downloading, or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties.

In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

GRIEVANCE PROCEDURE

This Grievance Procedure will be used to process a written grievance or complaint concerning discrimination, racism, bullying, harassment, or any other grievance that a complainant feels have been left unresolved against a student, employee, or third-party. The grievance or complaint will be referred to the School Director and/or School Owner. The following grievance procedures shall be used to address a grievance filed by students or employees, or for complaints filed on their behalf against employees, other students, or third parties. A copy of the Grievance form may be obtained from the school’s Director; however, you may also provide a written complaint by other means as long as it is signed and dated.

In order to facilitate the investigation, the complaint should include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A complaint should be filed within seven (7) days from the date of the alleged incident in order for the school to take timely and appropriate action. The complaint once received will be maintained in the Director’s office, which has limited staff access. The school Director has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose another employee. The time necessary to conduct an investigation will vary based on complexity of the allegation(s) but will generally be completed within fourteen (14) days of receipt of the complaint. If a complainant requests confidentiality, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited.

All complaints involving a student, employee, contract worker, vendor, customer service guest, or other person who does business with the school will be referred to the school’s Director. The Director will begin the complaint process outline in this policy.

Investigation of Allegations

The school will investigate all complaints received. The school's grievance procedures are designed to ensure that the complaint process is free from conflicts of interest.

1. During the grievance process each individual is considered innocent of the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The school may remove an individual from the school on an emergency basis, provided that the school undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations justifies removal and provides the individual with notice and an opportunity to challenge the decision immediately following the removal. In the case of a school employee, the school may place the individual on mandatory administrative leave.
2. All provisions, rules, or practices that are a part of the school's grievance process for handling formal complaints apply equally to both parties.
3. The school will make appropriate referrals to law enforcement, if necessary. The school will also notify complainants of the right to proceed with a criminal investigation, while the school conducts its own investigation simultaneously. The school will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation and acting on the evidence obtained.
4. The school will dismiss allegations of conduct that do not meet the school's written policies.
5. The school will provide equal opportunity for the parties involved to present facts, documentation, and witnesses. Any witnesses listed will be interviewed by the school Director.
6. The school may, in their discretion, dismiss a complaint or allegations therein if the complainant informs the Director in writing that the complainant desires to withdraw the formal complaint or allegations therein, if the individual is no longer enrolled or employed by the school, or if specific circumstances prevent the school from gathering sufficient evidence to reach a determination. If the complaint is dismissed, the school will give the parties written notice of a dismissal of the complaint and the reasons why.
7. The school may, in their discretion, consolidate complaints where the allegations arise out of the same facts or circumstances, whether it is complaints against multiple individuals.
8. Upon conclusion of the investigation into the allegations, the Director will provide a written determination to all parties, as to the final decision and any actions taken.

Students should follow the above process; however, the student may, at any time, file a complaint with the school's accrediting agency, or the U.S. Department of Education.
